

**“STOP TRYING TO WORK FOR YOURSELF”
BUT GET OTHER PEOPLE TO DO IT FOR YOU!**

DON'T WORK HARD. WORK SMART!

If you haven't made it yet, then by all means, keep trying!

Yes, you and everyone else in the world have something to sell or a program to offer, but are you making any progress?

There's nothing wrong with people trying to get other people to join their program, but the question is, are people really buying what you're selling? Is your program really good enough that 95 out of 100 people would want to join it? Are you working a program that you developed yourself, or are you working a program that you joined from another company?

Think really hard about this question. If you're working a program for another company, are you certain that they're paying you all your money for the responses that they receive from your work?

Look at all of these programs and opportunities and see which one you belong to.

We're not knocking heads with these other programs, we're only enhancing the one that we provide. Our program is very simple and only takes about 1 hour a day for about two months and then you can relax. We're not trying to get you to forget about the program you're working now, we're just trying to get you to work smarter. All we want you to do is, take a look at the system on the next page. Read it, think it over very carefully and then decide. We promise you won't be disappointed.

We don't need hundreds of false testimonials to show you how to work smarter, we only need ONE true one. Hi, my name is Antonio. Every since 1994 up until 2002 I've tried just about everything on the market, from envelope stuffing to selling products on the internet. After trying so many programs, I begin to ask myself the same question over and over again. Why do most companies just lead you on instead of just giving you all the real information up front. It was a waste of my time and a lot of hard earned money. Well, lets skip the small talk because, I know that a lot of people fit that profile. I just want to thank you all for showing me how to work smarter. I've seen a system something like this one before but not exactly like the way you provide it. It takes no time at all and more importantly, you guys are not the middleman, I receive my money straight off the top. If anyone else besides the company gets to read this testimonial, I have to strongly advise you to give them a try. First of all, I don't exactly know how many people are working for me and to tell you the truth, I really don't care. It's just a great feeling to know that you can retire in under four months after using this system. Another thing I like about this program is, the company keeps track of everything and the money comes straight to me. I really want to give people my phone number so that they can call me and talk to me in person but, I figure after having so many people work for me, I would be talking on the phone 24 hrs a day. Just believe me when I say, IT'S ALL REAL! May God bless you all, Antonio.

WHERE'S THE MONEY?

2004 Where's The Money Program By C.A.D. Industries / Ga Head Office 101 Code 1633 Pass #52 / WRT Database Co.

STOP TRYING TO WORK FOR YOURSELF BUT, GET OTHER PEOPLE TO DO IT FOR YOU!

That's right, we said it and we'll say it again. STOP throwing your money away trying to work for yourself. Hi, we're C.A.D. Industries and we've come up with something that will benefit all of us. A program that will allow you to receive your money the sametime we do. A program that will allow a lot of people to work for you in under two months or less. A program that will allow you to get up at 8:00a.m. and after taking care of a little business, laying back down at 9:00a.m.

A program that will allow you to work whenever you want to and still get paid if you don't. A program that gives you all the real information up front so that there won't be any surprises later. It's basically a program that can't be beat because, it runs itself.

What is this program all about?

This program is all about helping each other to get ahead without any worries whatsoever.

At the bottom of this flyer, you will find two names of people that have probably been in this program for awhile now, or maybe they just started. Whatever the case may be, we're sure that they're making plenty of money by now. The first person is working for the second, but the second person also has plenty of people working for them as well. All you will be doing is, giving away free information and getting paid for it. When other people receive this information, they will want to be a part of what you're doing, and as soon as they become a part of it "BAAM! They're working for you. It doesn't take long at all and it's very easy to do. "You see", when people join this program, we don't get paid until they do. Why wait for a company to send you your money after they get theirs, when you can get it at the sametime they do. Don't you think that you would receive your money a lot faster without having to worry about a middleman? Now, enough of the small talk.

Lets get down to business

Follow these simple instructions and let us take care of the rest. You won't be disappointed.

- #1- Get a \$20.00 western union money order and make it out to the first name below.
- #2- Get a \$10.00 western union money order and make it out to the second name below.
- #3- Fill out the information below very clearly and make a copy of both money orders.
- #4- Mail the money orders out to both of the names but keep the copies.
- #5- Mail our company the filled out information, both copies of the money orders and \$20.00 in cash.

Our all cash payment is required so that we know that you're very serious about our program and it will allow us to process your membership the same day we receive your payment. Without completed information and all fees, you can't participate in this powerful program. Once we've seen the copies of the money orders, we will send you two camera ready information flyers just like this one with your name and address at the bottom, so that you will receive \$20.00 each time someone else joins and the person who sent it to you will receive \$10.00 each time. A very small price to pay for a lifetime of joy. That's it, nothing else to it.

BELIEVE IT OR NOT BUT, THE MONEY IS RIGHT HERE!

We must work together to make a difference. Making that difference means helping the members on this flyer so that others may help you.
