

GET READY FOR SOMETHING EXCITING!!

A Revolutionary New Replication Engine lets you do something that has never been possible before:

 **Launch Your Own Internet Business
in less than 15 minutes!**

We're not talking about just copying a few web pages, or even duplicating an entire web site.

FUTURE WORLD'S cloning technology allows you to create your own personalized duplicate of a fully operational Internet E-Business with FIVE integrated websites that can begin accepting credit cards, generating on-line orders, and earning income for you in only a few minutes from now.

Includes:

- Live Operators for your customers
- Completely Interactive, 900+ page Internet Showroom
- Book, Tape, and Software store
- Domain Name Registration Service
- Your own Internet ISP Business
- Web-Hosting super-store
- Latest Shopping Cart
- International 24-hour Ordering System
- Instant Acceptance of All Major Credit Cards
- Complete Order Processing and Shipping Services
- Vast array of Marketing Aids and Tools (including free ad sources)
AND NO LAME AUTOSHIP REQUIREMENTS!

Start Your Own Internet Business Now! or Take your personalized business site for a test drive, FREE, without obligation, with a Trial Cloning.

Visit, and click onto 'Clone Engine at:
